

CCQM Certified ISO 22000 Lead Auditor

Master the Audit of Food Safety Management Systems (FSMS) based on ISO 22000

Why should you attend?

ISO 22000 Lead Auditor training enables you to develop the necessary expertise to perform a Food Safety Management System (FSMS) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the knowledge and skills to plan and carry out internal and external audits in compliance with ISO 19011 and ISO/IEC 17021-1 certification process.

Based on practical exercises, you will be able to master audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform this audit, you can sit for the exam and apply for a "CCQM Certified ISO 22000 Lead Auditor" credential. By holding a CCQM Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.
